

**Annual Report**  
**Tewksbury – Stabilization and Transitional Program**

**Universal Items**

1. Submit policies on admitting, treating, and referring methadone maintained clients.
2. Submit policies and procedures that describe opportunities for consumer feedback, input, and procedures for incorporating this information in service provision. Also include one or more examples of issues that have been reviewed in your specific program because of consumer feedback. Attach blank copies of consumer feedback forms used by your program (e.g., consumer satisfaction surveys). (See page 36 BSAS Terms and Conditions).

**Specific Items**

1. Submit policies and procedures, which were developed in cooperation with hospital administration, governing client activity on and off program premises and hospital campus.
2. Attach weekly schedule of psycho-educational groups offered on site.
